

Subject- Latest Notification regarding continuation of distance Learning courses.

The competent authority in the interest of the candidates has decided to allow them to complete their respective courses within 4 yrs. from the Year of his/her admission.

This is also to be informed that Bengaluru and Odisha being the satellite (state sponsored) centers will not be functional after 2017-18 as new admissions have not taken place. In view of this for all practical purposes after 2017-18 the National Institute of Health & family Welfare will be the only center.
